## HOW TRADE IN! TRADE UP! WORKS

### 1. Trade In! Trade Up!

Trade your current model golf club in for a new Callaway Golf club by simply paying the difference between the price of the new club and the value of the traded club. Depending on the clubs you have now, that could mean big savings!

### 2. Find the Trade In Value

Check the value on your current Callaway Golf club or clubs from another major brand. The Trade in! Trade Up! Program uses just one trade value per model.
